With over 40 years of property experience and working in all aspects of the residential and commercial market, we believe that in order to grow you have to spread the wealth.

BBIG Ltd was formed at the beginning of 2022 and joined our group of other successful property brands: Brighton & Beck, MWD Residential Lettings and Maintain Property Services and David Muir Estate Agents.

With over 40 years of industry experience between them, Daniel Beck and Mark Dempsie lead our businesses and are involved heavily in the day-to-day running of all our brands.

We offer an individual service to all our clients – whether you are looking to build a large portfolio or purchase a single property. What We Do

Whether you are a seasoned property investor or looking to build your knowledge and wealth in the property industry, it's essential to work with people you can see longevity with. This will be based on trust, experience and partnered financial growth. Because of this we only work with clients who share the above. We choose the clients we work with. Our investors/partners aren't sold "get rich quick" training courses or deals we didn't want. They are involved in only deals we are in. Your risk should be ours too.

Our Process

Our Results

Type of Deal: Mixed Portfolio Purchase

What we did

BBIG sourced and partnered with the purchase of 35 units across Ayrshire and Fife. Through our sister companies MWD Residential Lettings and Brighton & Beck, we successfully secured, controlled tenant handovers and evictions, managed all required refurbishment and sold all units through our auction and estate agency (Brighton & Beck). This achieved completion of all stock within 6 months.

Type of Deal: JV on assisted sale

What we did

Through our dedicated lead generation we sourced this three-bedroomed semi-detached in Aberdeen. The deal only required a cash advance of £20,000 with an AS agreement in place with the vendor. Due to the As agreement, we are able to sell the property immediately, avoiding the 6-month rule. End profit £20,000.

Type of Deal: JV buy to let

What we did

A full three-bedroomed HMO in the heart of Aberdeen. Purchase £70,000, Refurbishment £10,000, Refinance £125,000. Rented at £900pcm (£10,800pa NET) and £9,504 Gross. Yield 10%
